FOR IMMEDIATE RELEASE

Closures on the Foothill Freeway (Interstate 210)

Los Angeles - The California Department of Transportation (Caltrans) will continue intermittent closures of two lanes on the eastbound and westbound I-210 Sunday, August 23, through Thursday, September 3, 2015, each night from 7 p.m. to 6 a.m. Scheduled closures are subject to change and/or cancellation.

August 23 through August 27

Eastbound I-210

- Dunsmore Avenue undercrossing to the Ocean View overcrossing – Demolition and removal of the median barrier and median bridge concrete barrier.

August 23 through September 3

- Dunsmore Avenue undercrossing to the Lincoln Avenue-Howard Street undercrossing – Excavation of the median barrier.

August 23 through September 2

Westbound I-210

- Ocean View Boulevard overcrossing to Dunsmore Avenue undercrossing – Set median concrete base.

Residents and local businesses located near the freeway may notice noise, vibrations and dust associated with construction activities. Noise levels will not exceed state and federal regulations. Water trucks will be used to minimize dust during working hours.

The nighttime closures are necessary to minimize traffic delays and provide a safe work zone for construction crews and motorists while working along the I-210.

The contractor for this \$148.5 million project is Flatiron West, Inc., Chino Hills, California. Construction signs and changeable message signs will be in place to alert motorists to construction activities and closures. Motorists should anticipate delays, plan ahead and use alternate routes. Caltrans appreciates your patience while we work to improve I-210. For additional information, contact Jackie Beaver at (213) 897-7602 or email at jacqueline.beaver@dot.ca.gov.
Caltrans advised motorists to “Be Work Zone Alert.”
